FAMILY FUN	Internet Link

Families

Lennoxton, St Machan's and Craighead Primary Schools have been working together to pull together a list of websites and activities that the children can do over the Easter holidays.

Additionally, we are inviting all our pupils to decorate a hard-boiled egg and then photograph it. When we are all back together again on the 20th April, the children can upload their pictures of their eggs. Many of the activities above can be viewed at any time of the day.

A separate selection of activities, across all areas, not reliant on computer access is also available.
