

P5 Home Learning – Week Beginning 4.5.20

Literacy	Numeracy/Maths	Other Areas
<p>Spelling: Look for 10 tricky or interesting words in your reading book and write them in a list. Use these words to complete three spelling activities from the grid.</p>	<p>Log onto your Sumdog account and practise your focus maths skills. Can you get on this week's leaderboard?</p>	<p>P.E.: Go to The Body Coach Youtube channel and take part in a 'PE with Joe' workout. OR Visit Go Noodle and take part in some of your favourite routines! You can make an account on the website or find your favourites on YouTube.</p>
<p>Reading: Complete six Bloom's guided reading questions (one from each heading) based on the Bug Club or personal book you are reading.</p>	<p>Do some times table practise. You could play Hit the Button or make up your own game to play with someone at home. https://www.topmarks.co.uk/maths-games/hit-the-button</p>	<p>Art: Visit the Art for Kids Hub Youtube channel and complete a drawing tutorial of your choice. We would love to see a picture of what you have chosen to draw.</p>
<p>Reading: Complete a Film Literacy Bookmark Blooms questioning activity. A YouTube link and QR code is provided on the bookmark for you to find the video clip you need. You can watch the clip as many times as you like.</p>	<p>*ASSIGNMENT TASK* Complete a Nandos chilli challenge. Use the menu to answer the questions. Choose from mild, spicy or hot. You can send us your work for this task through Assignments.</p>	<p>Technology: Visit the Hour of Code website and complete a coding tutorial of your choice. https://hourofcode.com/uk/learn</p>
<p>*ASSIGNMENT TASK* Writing: Complete pages 3-9 of the Talk for Writing Home Learning Unit. The model text is a finding tale called 'King of the Fishes'. You can send us your work for this task through Assignments. If you have already completed the activities up to page 9, Visit the Pobble 365 website (www.pobble365.com). Plan and write a story using the story starter provided.</p>	<p>Complete the Digital Escape Room based on Charlie and the Chocolate Factory. Just click the blue text below and it will open. Put your problem solving skills to the test! Charlie and the Chocolate Factory Escape Room</p> <hr/> <p>Play Countdown using your mental maths skills to help you reach the target number. https://nrich.maths.org/6499</p>	<p>*ASSIGNMENT TASK* Literacy/HWB: Complete pages 2-7 of the Covid-19 Time Capsule booklet. You could spread this activity out across the week, doing a page or two at a time. You will be able to look back on this for years to come! You can send us your work for this task through Assignments.</p>

Everything you need for this week's learning can be found in the Class Materials folder titled "4.5.20 - Home Learning (Week 5)". If there is anything else you need or if you have any questions, please just ask one of us on Teams. 😊
