

Class News P3

Welcome

Primary 3 this year will be taught by Mrs Greenshields and Mrs Black. Mrs Greenshields will teach the class on Mondays and Tuesdays and Mrs Black on a Thursday and Friday, and both Mrs Greenshields and Mrs Black will teach on a Wednesday.

If you wish to consult Mrs Greenshields or Mrs Black regarding your child, please don't hesitate to contact the school office to arrange a phone call. Mrs McCulloch, our support for learning assistant, helps us with our learning and out in the playground.

P.E.

Pupils will have P.E. on Mondays and Fridays and will be outdoor until further notice. Children should have appropriate clothes for this. They should come in wearing their gym kit on these days, which should consist of the school polo shirt and jumper, jogging trousers/leggings and outdoor trainers. They can bring indoor shoes, in their bag, to change into after gym has taken place. Please put a plastic bag in your child's bag for them to put their outdoor shoes into. These shoes will not be stored in school.

Water Bottles

Children should bring a filled water bottle with them every day. The children have access to their water bottles whenever they need it and are encouraged to drink throughout the day. They will be allowed to fill this up if required.

Learning

Throughout the session, a variety of skills will be learned across the curriculum. We have started learning about the human body during our science lessons. We are also excited about reading *Charlie and the Chocolate Factory*, and completing lots of fun tasks such as designing our own chocolate bar! Our first Talk 4 Writing story will be *The Papaya Who Spoke*.

Thank you and we look forward to a fun and hard working year!

Mrs Greenshields and Mrs Black
